Members Make a Difference for Shelter Animals Every Day

It is with your support that the Central PA Humane Society (CPHS) can provide services to nearly 2,000 animals every year. We refuse no animal, and our ability to continue helping animals comes solely from membership, donations and fundraising.

We receive no funding from any state or national humane society or government agency. All of this financial support stays right here in Central PA to:

- Adopt stray and owner-surrendered pets into their new forever homes
- Reunite lost pets with their owners
- Investigate and prosecute incidents of animal cruelty
- Perform private cremation services
- Offer low cost spay/neuter through our *Spay Days* program
- Target Trap Neuter Return (TNR) for feral cat colonies

How Your Membership Dollars Are Used

FACT: CPHS is an open admission shelter. We DO NOT discriminate by breed, age, or condition.

FACT: CPHS rescues approximately 2,000 small animals each year—that means one animal enters the shelter an average of EVERY FOUR HOURS, 24/7/365. Our mission encompasses not just cats and dogs but also reptiles, guinea pigs, chinchilla, ferrets, rabbits, pigs, horses, and other animals in need of care.

FACT: It costs an average of \$30 to care for each animal each day, including medications.

FACT: One in 5 animals entering the shelter are owner surrenders. Reasons for surrender range from changes in an owner's lifestyle or poor health that necessitates surrender.

FACT: Despite the continual, herculean efforts of our dedicated staff, CPHS is often full to overflow-ing. On average, we provide daily care for over 150 animals at any given time, including those in foster care, the Wellness Center, and the shelter's infirma-ries, cattery, and kennels.

FACT: Through 2019, CPHS has taken in and adopted out (through adoption, return-to-owner, and transferred to rescue partners) over 2,000 animals. The average length of stay was 41 days.

Direct Payment Plan

You can set up a monthly, quarterly or annual draft from your checking or savings account. This will continue annually for Shelter Supporter and Shelter Champion memberships unless you call us to cancel (after the first year). Please call 814-942-6900 for details.

Disclosure: The official registration and financial information of the Central PA Humane Society may be obtained from the Pennsylvania Department of State. Call this toll-free number from within Pennsylvania at (800)732-0999.

The CPHS Mission

The Mission of the CPHS shall be to prevent animal neglect and cruelty through education and enforcement, while providing a safe haven and finding forever homes for those in need.
